

## Lovage Bloody Mary Cocktail

WGHS Member Janice provided this recipe. Use lovage stalks as straws.

1 -1½ ounce premium vodka	¼ teaspoon pure horseradish, to taste
6 ounces tomato juice or 6 ounces V8 juice, chilled	1 teaspoon finely minced lovage leaves
2 tablespoons freshly squeezed lemon juice	hollow lovage stalks to use as straws for sipping
1 dash Worcestershire sauce	lemon wedge, to garnish
2 dashes Tabasco sauce	ice

Pour vodka into a tall highball glass over a handful of cracked ice. Top up with tomato juice or V8.

Stir or shake with the remaining ingredients.

Garnish with a lemon wedge and serve with a hollow lovage stalk straw for sipping.
